## DRAMA STRIP P840

### DESCRIPTION:

The Drama Strip P840 is a revolutionary multi-directional strip fixture with pixel control. The unit's innovative design and low profile makes it an effective footlight for illuminating performers. It features an removable adjustable base, allowing for total control of the strip. In the upward facing position with the unit's adjustable base, the Drama Strip P840 serves as a beautiful linear strip for washing walls and curtains. Lighting designers will love the added flexibility seen from the unit's pixel control. When set up with multiple units, the Drama Strip P840 can display designs limited to the users imagination.
